Details

No	Name	Pros	Cons	Reviews
1	Build in DNN store module		Limited functionality	
2	SDN Store		Not found on website (eventually found it on their website) Not active on snowcovered.com	
3	CataLook	Rated no 2 in snowcovered. Skins available specifically for CataLook. Lots of functionality	Cluttered unprofessional website. Bugs when installing demo version. Not very user friendly	aspadvice.com
4	AliCommerce		Pirate version of... Website does not exist anymore	
5	Active Purchase		Unable to buy or download a demo version. Got email from beth@activemodules.com that they are not selling Active purchase anymore.	
6	AspDotNetStoreFront		Very expensive	www.practicalearcommerce.com
7	NB_Store	Under active development.		
8	WebWarehouse			
9	Smith Shopping Cart
